

NEW FROM HILLMARK!

**Hotspot # 8
October 2008**

Streak-free screen cleaning is now an easy wipe over with EziScreen!

The Premium Microfibre EziScreen is specifically designed for delicate surfaces such as Plasma and LCD screens without using any potentially damaging sprays and chemicals.

The EziScreen Premium Microfibre Screen Cleaner gives you peace of mind and confidence to remove dust, light soiling and fingerprints when used dry or use the cloth slightly damp for tough dirt and grease.

Hillmarks EziScreen makes streak-free cleaning an easy wipe over every time, retaining the look and performance of your TV and computer screens.

The generous 45cm x 50cm EziScreen Cloth is ideal for Plasma & LCD Screens, Electronic Displays, Laptops, Desktop Screens, HDTVs, CDs, DVDs & more!

You can trust Hillmark EziScreen Premium Microfibre Cloth because it has been vigorously tested, approved & recommended for all of the big names in the appliance business.

This includes Panasonic, Pioneer, Phillips, Samsung, Sharp, Sony, Apple, Dell, NEC, Toshiba, Acer & other leading brands.
